Discussing Hobbies and Interests

Student A: Hi, how are you? What do you enjoy in your free time?

Student B: Hi, I'm good. I really like painting. It's a great way to relax and spend time by myself. How about you?

Student A: That's great! I chill by playing the guitar. I enjoy it, you know, strumming and create music.

Student B: Oh, that's cool! Have you been playing for a long time?

Student A: Yes, I've been playing for about two years now. I'm still learning, but I love it. How about your painting? When did you start?

Student B: I've been painting since I was a child, but I started taking it more seriously in the last year. I find it's a great way to unwind after a busy day.

Student A: I agree; hobbies are a great way to de-stress. Do you have a favourite subject or style you like to paint?

Student B: I mostly paint landscapes as I find nature very inspiring. What do you like to play on the guitar?

Student A: I like playing a mix of classical and pop music. It depends on my mood. It's a great way to express my feelings through music.

Student B: That sounds good. Maybe sometime I can hear you play.

Student A: I'd love that. And I'd enjoy seeing some of your paintings too.
